## **Frequently Asked Questions**

### **1) Please tell me about this event.**

This is first such event being organized outside India. This is your unique opportunity to network with Agrawal families from USA, Canada and other parts of the world. This event will be professionally managed. Our team has successfully arranged many social and cultural events over the past 5 years.

### **2) Why are you arranging this event?**

There are 3 challenges that singles face in trying to find a life partner:

- a) You feel the pressure of marriage from your parents but don't have time as you are too "busy".
- b) You don't know where to find like-minded people.
- c) You want to protect your personal privacy.

Our matrimony event will allow you to meet many like-minded people in just one weekend, in a safe and fun environment. It is not easy to find a life partner and there is never a right time to start looking and meeting people.

### **3) Do you arrange marriages?**

No, we do not. We just provide an open, comfortable and fun environment for you to meet with a lot of people.

### **4) Do you help in match making or we are on our own?**

Our experienced staff actively participate in the entire process and help with match making.

### **5) I'm too shy to go on stage and become a subject of ridicule or embarrassment.**

This is not a meat market where we put you on display. We provide a non-threatening, comfortable and professional environment.

### **6) Am I guaranteed a success?**

This is not about "meeting and marrying". The idea is to bring families together and form connections between them. Getting engaged and marriage then follow. Marriage is not about marrying a person. It is about finding a person with the right values, family background and sanskars.

### **7) Do you make money via such event?**

Agarwal Samaj USA is a non-profit organization. We organize this event with the sole purpose of bringing Agrawal families together. This event won't be possible without the help of our generous sponsors.

### **8) I do not believe in “Arrange Marriage”! Why should I attend this event?**

“Arrange Marriage” is a marriage arranged by someone else other than the marrying couple. We do not decide who you should marry. The event only provides you with a platform to meet people and interact with them to find your right match. You may take your own time to understand and learn more about the person and its family before making your decision.

### **9) How can I enrol for this event?**

The enrolment details can be found in the registration section on our website ([www.agrawalsamaj.org](http://www.agrawalsamaj.org))

### **10) In case I am not able to make it to the event, can I cancel my registration?**

The cancelation details and policy can be found on our website ([agrawalsamajusa.org](http://agrawalsamajusa.org)).
